The Young Person's Group encourages young disabled people aged 13-19 to make new friends in a friendly atmosphere. Our aims are to relax and have fun.

Come and join us!

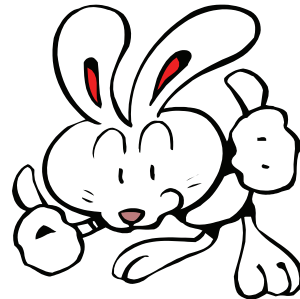

## What you need to know about us!

- ***Preston & District Scope (P&DS)*** is an independently run and self funded group affiliated to National Scope. The aims of the charity are to promote the interests of those with cerebral palsy, related disabilities or special educational needs.
- ***The Bridge Centre Young Person's Group*** is a service currently provided by P&DS. This promotes fun and social activities for young disabled people aged 13-19. Our members meet weekly during term-time. They have been able to meet friends and make new ones.
- ***Our activities*** can be varied and have included such things as art, drama, DJ training, exhibitions, games nights and many more. We do like to ask our members what is interesting for them and do our best to meet individual interests.
